

TRACY TOTTON/MARTIN EQUESTRIAN INSTRUCTION

WAIVER OF LIABILITY

Horseback riding and the general care of horses can be extremely dangerous. While I will take every precaution and will always be watchful, horses do have personalities and temperaments of their own and will not always be predictable. Your safety and/or your child's safety are my first concern but while working with horses, accidents can happen. In signing this waiver, you are acknowledging the fact that you are aware that this can be a dangerous activity and that injury and/or death could occur. You are also agreeing to hold Tracy A. Martin harmless should injury and/or death result while on my property and/or on or around my horses. In signing this waiver you are agreeing that you will not bring any lawsuit or complaint against Tracy A. Martin, her family, employees, property or estate should an accident causing you or your child to be injured or killed occur while on the property of same or on or around horses owned by same.

I have read the above waiver of liability and agree to same. I realize that in signing this waiver I am assuming all responsibility for my safety and/or my child's safety and agreeing to hold harmless Tracy A. Martin, her family, employees, property or estate should an accident resulting in my and/or my child's injury or death occur on the property of Tracy A. Martin and/or while working around her horses or my own horses.
